Did we catch the mood and feeling of Seminary? Did we show what this school was all about in 1974? Well, with a little experimentation, some new techniques, and a lot of hard work, we tried--and had fun trying.

# PEP CLUB

This year pep club painted many spirit-boosting signs with new ideas. These girls paint signs for all fall and winter sports.

The Senior members helped the cheerleaders decorate the gym for Homecoming along with putting up many signs for the football team and the queen and her court.

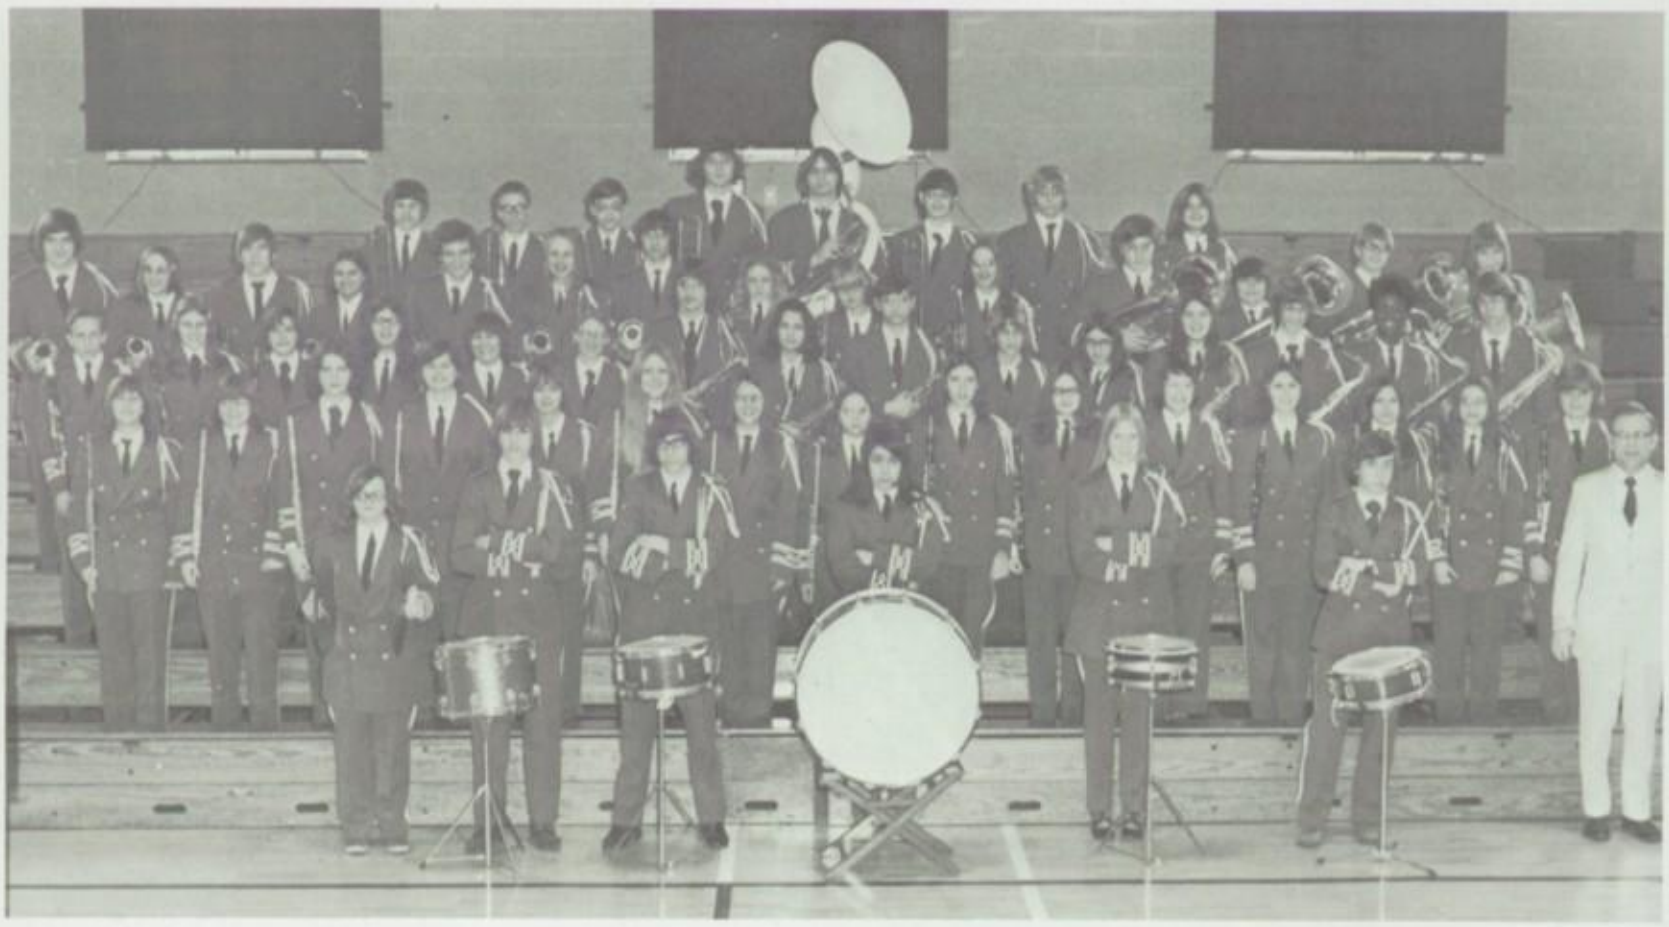
Student Council is the student's voice here at M.L.S. This year they sold pennants for Homecoming. They arrange busses for away games and other athletic events. Student Council is also in charge of the Christmas activities and the talent show.

Courtesy Committee: Rich Wenzel, Debbie Krause, Phil Sauer, Lynn Blohm, Adam Horneber, Carol Kraft.
The Courtesy Committee is a group of students who welcome our visitors and give them a tour and class visitations here at M.L.S.

# BAND

Football games, basketball games, wrestling matches, and pep rallies--what would they be without the band? This group really helped build up school spirit this year under the direction of Prof. Buch. The band also has a cultural side. At the Christmas, Spring, and Commencement Concerts, they demonstrated the fine arts with religious and classical numbers.



L to R: J. Frohmader, T. Mammel, C. Huebner, L. Henning, B. Root, J. Maasch, S. Roekle, D. Moran, J. Kuske, S. Birkholz, D. Selves, H. Grambrow, K. Miller, R. Kaesmeyer, P. Heyer, D. Amos, T. # CHOIR

The choir under the new direction of Prof. Buch did an outstanding job this year proclaiming God's Word. They sang at Advent services at local churches and the annual Christmas and Commencement concerts at Sem. Made up of juniors and seniors, the best voices of the two classes are selected for the best harmonization and performance.

Basses: D. Selves, K. Bilitz, D. Seelhoff, J. Ruege, D. Witt, D. Scheuerlein, R. Conger, M. Schulz, Sopranos: C. Koeplin, C. Kraft, A. Lisius, L. Voss, K. Graubner, D. Roekle, B. Brenner, R. Kipfmiller, M. Schmelzer, M. Frohmader, J. Miller, A. Garbow, J. Doletzky.

# RED-N-WHITE

Sem students had a new cameraman to hide from this year. With a new Yashica camera and a different method of production, the Red-n-White Staff added pictures to the newspaper. A new electric typewriter helped the editor meet the deadlines. As a group the staff worked towards more interesting reporting of the student news.

# 39 YEARS OF SERVICE . . .

## Professor Armin H. Schultz

Professor Schultz came to Michigan Lutheran Seminary in 1935 after having graduated from our Wisconsin Ev. Lutheran Seminary at Mequon, Wisconsin. Professor Schultz had taught many varied subjects during his thirty-nine years here at Sem, these being German, Religion, History, Greek, stenography, and other commercial subjects. He was appointed school vice-president in 1950, and he became the athletic director of Sem in 1938. He also served as coach of the basketball, baseball, or track until 1964.

As Professor Schultz retires this year, we of MLS would like to say "Thank-you, and may God bless your future life in Christ."
